

BEYOND INSIGHT PRESENTS:

Into the Mystic

Teotihuacan, Mexico • June 29 - July 3, 2012

Join Us on a Visionary Journey to the Ancient Pyramids

In the journey that we call life, sometimes we encounter impasses. Sometimes we have experiences that we believe to be obstacles, prohibiting us from further forward movement. Sometimes we don't think we can go another step. And, we're usually wrong.

If you've been living a story that keeps you from being all that you can be, of achieving all that you desire, it's time to let the story go.

In the magical city of Teotihuacan, hundreds of thousands of people have done just that. They've discovered the impediments to their evolution and released them, finally accessing true freedom. Through peer support and ancient ritual, we move past the challenges and invite a new way of being.

If you are ready to transform your life, join us on our next adventure!

We will be meeting in Mexico City on Friday, June 29, 2012 and travelling to Teotihuacan by chartered bus. There, the staff at the Villas Archaeologicas will nurture us in their beautiful setting with cozy rooms and wonderful food as we open ourselves to all that life has to offer. We will return to Mexico City on Tuesday, July 3, 2012.

Journey fees: \$1095 pp, \$995 for returning seekers, \$895 for students & \$1895 for couples/dyads.
